

TMS Fellow Member Eligibility List **Revised November 18, 2015**

The following is a list of individuals who have been TMS Members, in good standing, for at least ten consecutive years. If you feel that your name has been omitted, or placed on the list by mistake, please call the TMS office and the error will be investigated and corrected if appropriate.

Article III, Section 2, item (d) of The Masonry Society bylaws states that any individual who has been a Member of TMS for ten consecutive years, and has provided outstanding contributions to masonry may be nominated as a Fellow Member by one of their peers. This distinction shows that others recognize an individual's commitment to promoting and advancing masonry. It is an honor to be nominated. Choosing to nominate a TMS Member also shows that the membership is actively striving to recognize and reward excellence in the masonry industry.

A * after a name indicates the individual is a founding member of The Masonry Society. Fellow Members, Honorary Members, and deceased members are not shown on this list.
