

Faculty Advisor's Appraisal Form

Student's Name _____

Faculty Advisor's Name _____

Name of Institution _____

I recommend the above-named student for the TMS — J.L. Noland Student Fellowship. I agree to be the student's faculty advisor during the performance of the research and that this research will be in an engineering, construction, architecture, or materials science program focusing on the area of masonry, emphasizing design, materials, construction, or some combination of these. I am a member of The Masonry Society and will remain so during the fellowship period. I understand that this recommendation carries with it a responsibility to guide the student's research and to make periodic reports to the TMS Scholarship Committee.

1. Applicant's potential for growth in the masonry profession:
2. Character traits that would contribute to the professional success of the applicant:
3. Qualifications that would contribute to the successful completion of the proposed research objectives:
4. Applicant's performance related to career interests:
5. Additional pertinent information (Please attach any other material you feel is relevant):

In support of this student's application, I have completed the above for submission to The Masonry Society.

Signature _____ Date _____

PLEASE RETURN THIS APPRAISAL BY APRIL 16th of the Award year

DIRECTLY TO: THE MASONRY SOCIETY
